

2023 Foundation Program Training Schedule

Our **FOUNDATION COACH TRAINING PROGRAM** is designed for Professional Organizers and Productivity Consultants. *Coaching Essentials* is a stand-alone course, providing an in-depth introduction to coaching skills, process and ethics. It's also the required first foundation course.

The **FOUNDATION PROGRAM** is the core training for seven coach credentials. Our full curriculum includes specialized graduate-level courses. CAT-IAC is an International Coaching Federation Accredited Coach Training Program (ACTP). Individual courses have ICF-Approved Coach-Specific Training Hour status.
