2024 Advanced Coach Training Schedule

This is the graduate-level curriculum of our *ICF-Accredited Coach Training Program*, which supports eight distinct coaching credentials for foundation program graduates. Except where noted, advanced courses are also open to coaches trained in other programs who have at least 60 hours of comprehensive coach training & 75 paid client coaching hours. Take courses in any order. **Neurodiversity & ADHD coaching strategies are intrinsic to each course** (even if *ND* or *ADHD* is not in the title).
